Dental Insurance Disclaimer

Our goal is to help you maximize your dental insurance benefits. We are happy to bill your dental plan for services. When we call your insurance and verify benefits it is not a guarantee of payment by the insurance company and may vary according to your individual plan when the actual claim is submitted. Any treatment plan that our office proposes to you is an **estimate** of what your insurance coverage will be, it is not a **guarantee**. We will always work to maximize your insurance benefits for you. Our team will work with you to determine financial arrangements that work for both parties.

Please remember that the contract itemizing your dental benefits is between you, your employer and the insurance company. Although we call and get benefits for you we suggest that you call your insurance company to reconfirm any waiting periods, deductibles or benefits payable concerning your treatment plan. Regardless of coverage, your **estimated co-payment, deductions, exclusions and unpaid balances are due in full the day of treatment**. If your insurance plan does not pay within 120 days of treatment, you must pay any outstanding balances and seek reimbursement from your dental plan. Also remember dental insurance plans are not designed to cover all of your dental needs.

I have chosen to allow Comprehensive Dental Center to file my insurance and I accept full responsibility for this account and for all dentistry performed upon myself and my family in this dental office. **I understand this office cannot guarantee my insurance company will cover all services rendered and it is only an estimate of benefits**. I also understand that if my insurance company does not pay within 120 days of my date of service then I will become responsible to pay at that time. I understand that any credit of $50.00 or less will not be issued unless used for procedures or I leave the office. I understand that refund checks will not be issued until all insurance checks have been received from my insurance company.
